

ICharacter

```
graph BT; Character --> ICharacter
```

A UML class diagram illustrating inheritance. At the bottom is a class box for 'Character' with a black border and a light gray fill. A solid blue arrow points vertically upwards from the 'Character' box to a class box for 'ICharacter' at the top. The 'ICharacter' box has a black border and a white fill. The arrow indicates that 'Character' inherits from 'ICharacter'.
